

Child and Adult Support Team

Bacau, Romania, Sponsorship Form

CAST works alongside Fundatia de Sprijin Comunitar (FSC), a non-profit organisation registered in Bacau, North East Romania. CAST's partnership with FSC primarily focuses on helping them to run summer schools in some of the poorest rural areas in Romania. The summer schools are held at the local school and are attended by some of the most deprived children and young people in Romania. Between 40 and 100 children attend each project on a daily basis and the children are aged between 3 and 18 years old.

The summer schools are a wonderful opportunity for the children and young people to learn new things and socialise with others but most importantly it gives them a chance to have fun learning through play. The money you provide would enable FSC to; run more summer schools; buy more materials to be used during the summer schools through art and craft, music,

drama activities, and science and English lessons; to provide food for the children; and support the running of a day care centre for toddlers and young children living in this underprivileged community. The children living in this community are from poor families who experience hardship on a daily basis, often making it extremely hard work and difficult for parents to be able to provide enough food for the whole family each day, or to support the costs involved with sending their children to school.

Here are some ideas of how your money could help:

- £5** could buy soap, a toothbrush each and toothpaste for ten children in need
- £10** could provide a child with a nutritional packed lunch in the Day Care Centre for one month
- £15** allows a child to attend their local Day Care Centre for one month, vital in creating a stimulating and safe environment on which social and educational skills may develop.
- £15** donation will provide a low income family with a monthly food pack that will ensure improved nutrition and benefits for that family
- £20** will provide one week of meals for an underprivileged child in Bacau.
- £20** can buy an underprivileged child a month's school supplies, including: school fees, school lunches, and academic material and travel costs.

You may wish to make a one off payment to support the project in Bacau, or you may wish to set up a standing order in order to provide more continuous support - please see the attached standing order form for more details.
