Here are some ideas of how your money could help:

CAST is the International Division of the registered non profit Social Enterprise Life Improvement For Everyone. All of our volunteers and CAST committee are voluntary and do not receive wages. CAST needs support with general administration costs such as renting and maintaining an office. This is vital for holding interviews, training and regular committee meetings. We also need financial support with general clerical costs such as paper, ink cartridges, phone and internet bills etc. Whilst costs are kept to a minimum running the various projects we do can be costly. Any support you can give is greatly appreciated!

You may wish to make a one off payment to support the project in CAST, or you may wish to set up a standing order in order to provide more continuous support - please see the attached standing order form for more details.

If you want to help with any of our projects or for further information on CAST or L.I.F.E please visit our website <http://www.cast-uk.com> / www.lifeimprovement-uk.com
